COLLATERAL POLICY

INTRODUCTION

The Sacco Collateral policy is intended to provide a guide on the processes and the procedures to be followed in the use of land and building, motor vehicle and machinery owned by members. This Collateral Policy shall be read alongside Sacco Credit Policy.

Collateral objective
The main objective of the collateral policy is to be used as a guide on security for Business loan and any other loan where the member opts to use the collateral or/and where the guarantors are not adequate to fully guarantee the loan.
The use of collateral is aimed at retaining the Private, Chamas /Corporate members who may face the challenge of getting guarantors.
It is also aimed at relieving the newly employed members of the society the burden of getting guarantors for their loans since they are not familiar with the members

Policy
This policy is applicable to all loans transactions requiring collateral as a guarantee.

TYPES OF ACCEPTABLE COLLATERALS

Listed below are the main types of collaterals Hazina SACCO can accept;-

a) Land and building Collateral Pledge

This constitutes land and building within Kenya, and fully owned by the member or his/her spouse. A lien shall be established with this guarantee.

   i) VALUE

80 % value of acceptable land and building based on valuation report shall be considered adequate collateral for loan.

   ii) Requirements :-

Application
1. A search of the land must be done. The certificate of official search must be availed for documentation and confirmed by the Society Credit Committee.
2. An application for consent from the National Land commission must be made. The letter of consent must be availed for documentation.
3. The land valuation must be done by Society approved valuers and an official valuation availed for documentation.
4. A valuation report shall be issued directly to Hazina Sacco by the valuer
5. All government fees pertaining to the property must have been paid up to date and a confirmation certificate/receipt availed to the Society.

   iii) **Charging of property**
After the member has availed all the necessary documents, the Society shall advice the member to pick a lawyer from the pool of lawyers approved by the Society to undertake the charging of the property.
1. A charge must be prepared by a lawyer. The charge documents must be signed by the mandated signatories of the Society and sealed.
2. The charge must be done at the lands offices and a certificate of the official search showing that the land has been charged to the Sacco availed to the Society.

   iv) **Insurance**
The building must be insured by a reputable Insurance Company acceptable by the Sacco for the period of the loan.

   v) **Charges**
All the charges pertaining to the administration of the collateral shall be borne by the borrower. Such as rates, rent and rates certificate, stamp duty, legal charges, etc.

b) **Motor Vehicle Collateral Pledge**
This constitutes motor vehicle not more than 10 years of age from the date of manufacture.

   i) **value**
Motor vehicle comprehensively insured shall be acceptable collateral for loan. Valuation of the vehicle shall be done by registered valuer appointed by Hazina Sacco and valuation report submitted directly to the Sacco. Sacco shall issue the borrower with a letter of instructions to the valuation company to facilitate the process. Upon approval of the loan the ownership of the vehicle shall be registered jointly between the borrower and the Sacco.

(v) Charges

All the charges pertaining to the administration of the collateral shall be borne by the borrower such as, Rates, rent and rates certificate, stamp duty, legal charges etc

c) Fixed Deposit Collateral

This shall consist of fixed monetary amounts in Kenyan currency held in the Society Fosa and other financial institutions. Up to 90% value of the deposit at the time of loan may be offered as collateral.

The requirements shall be as follows:
1. The member shall surrender the original fixed deposit certificate used as collateral.
2. Such deposits once committed as collateral shall be locked and shall therefore not be available for withdrawal, transfer or any other purpose until the loan and interest so secured is cleared in full.
3. The duration of the loan repayment period shall be less than the fixed deposit maturity period by at least one month
4. The fixed deposit held after maturity shall continue earning interest.
5. The member must sign a letter of set-off and a duty stamp.
Financial Institutions Fixed Deposits
Other financial institutions’ fixed deposit may also be used as a security by members if not charged.
The member must bring a letter from the fixed deposit issuing bank confirming the maturity date and an undertaking that the Bank will release the money to the Society in case the member defaults.

N/B;
For married people where family items are used to secure a loan, it is important for the spouse of the Borrower consent to the loan.

SUBSTITUTIONS OF SECURITIES
To ensure that the Sacco’s position is not weakened as a result of substitution of securities:-

1. Once a loan has been approved, no substitution of one security for another may occur without approval of the Credit Committee responsible for its original approval.
2. Substitution of any security may only occur after a new assessment process,
   This will be followed by writing of a new letter of offer and full perfection processes.

CUSTODY OF DOCUMENTS
All original collateral documents must be registered in our book and kept in the Society’s strong room. Such documents are:

i. Land title
ii. Log book
iii. Lease agreement
iv. Fixed deposit certificate
v. Search certificate
vi. Charge certificate
vii. Valuation certificates.

DISCHARGE OF COLLATERAL
i. Collaterals will only be discharged to the member when the balance secured by the security has been fully settled.
ii. The discharge of the collateral shall be approved by the Credit Committee
iii. The collateral discharge approval shall be carried out by the credit committee and be communicated by the Chief Executive Officer to the custodian

Insurance on Guarantees
All insurance covers on collaterals shall be taken jointly between the borrower and Hazina Sacco Ltd and paid for by the borrower.

MONITORING ASPECTS
1. Loans are being repaid
2. That the logbooks/title deeds are still within the Sacco(regular checks)
3. Update of Collateral register
4. Ensure insurance cover is up to date
5. That the vehicle is within reach

REPOSSESSION PROCEDURES
-Repossession is the seizure of Item/Property placed as a security to the Loan where the correct documentation is held, and a debt is due.
-The repossession of property in Kenya is guided by the Chattels Transfer Act (Cap 28) and The Auctioneers Act 1996 and Rules, 1997 and 2010.
-This should be effected once all other ways of recovering the debts have failed
-Ensure you have evidence of demand notices issued to the customer with the last copy indicating the action of selling their property incase they do not make good their loan repayments.
-Issue instructions to your debt collector/auctioneer to go ahead with repossession
-Upon sale of the property, the amount should be paid to the sacco.
-Then the Sacco can clear with third parties involved e.g Auctioneers.
